

**To Whom It May Concern,**

I am pleased to recommend Mr. Vedansh Gupta, who completed his internship in the Data Science Department at Exascale Deeptech and AI Pvt. Ltd. from 15th May 2025 to 30th June 2025.

As the Director of Exascale Deeptech and AI Pvt. Ltd., I had the opportunity to mentor Vedansh during his internship. He contributed to research and development activities for our proprietary AI products under my guidance.

During his time with us, Vedansh demonstrated strong analytical skills, technical aptitude, and a sincere willingness to learn. He approached tasks with curiosity, adapted quickly to new challenges, and consistently delivered quality work. He was also a disciplined, dependable team player who welcomed feedback and worked well with colleagues.

Based on my observations, I am confident that Vedansh has the capability and dedication to excel in both academic and professional environments. I strongly recommend him for higher studies, research opportunities, or employment, and I am confident he will make a positive contribution wherever he goes.

I wish him every success in his future endeavors.

Sincerely,

Rituparna Parial
